Closing Date: June 29, 2022  
Start date: September 1, 2022 and end date: December 31, 2022  
1 position/1 section available

The Department of Civil Engineering in the Faculty of Engineering and Applied Science at Queen’s University invites applications from suitably qualified candidates interested in teaching the following undergraduate course in the 2022-23 session.

Qualifications:  
Minimum of one year’s study at the level of MASc (or equivalent research or industry design experience). Previous educational background and/or experience must be suited to teaching the course described below. Candidates must have excellent communication and presentation skills, as well as be capable of working as a member of a teaching team. Registration as a Professional Engineer, or eligibility to acquire registration in Canada, is an essential qualification. Prior teaching experience in project-based engineering courses and lecture-based engineering courses would be an asset. Open to Teaching Fellows.

Teaching requirement:  
CIVL 230 Solid Mechanics I F / 4.25

Lecture: 3  
Lab: 0.5  
Tutorial: 0.75  
Graphic Statics; Definitions of Stress and Strain; Hooke’s Law; “Axial” Member Analysis and Design; Analysis and Design of Shafts Subjected to Torsion; Analysis and Design of Beams; Columns; Inelastic Bending; Introduction to Work and Energy and the Principle of Virtual Work.

Academic Units:  
Mathematics 0  
Natural Sciences 0  
Complementary Studies 0  
Engineering Science 50  
Engineering Design 0

The above advertised course will be taught on campus. Enrolment is expected to be around 150 students in CIVL 230. The successful applicant will have 100 percent responsibility for this course and will supervise a team of teaching assistants. Fall term classes begin September 6, 2022 and end December 5, 2022 while the examination period ends on December 22, 2022. Instructors will be responsible for tracking CEAB indicators. Guidance on this process will be provided.

**COVID 19 On-Campus Requirements**

The Queen’s University Policy Regarding Mandatory Vaccination Requirements for In-person University Activities requires ALL Community Members, including employees, to be Fully Vaccinated against COVID-19 prior to participating in any In-person University Activities. This is a condition of employment for all employees who are required to attend University Property to perform their employment responsibilities. Individuals who cannot be vaccinated due to substantiated grounds (medical and other protected grounds under the Ontario Human Rights Code) may ask the University to validate the exemption and request an accommodation for these rare circumstances. If approved, they will be subject to additional health and safety measures.

The University invites applications from all qualified individuals. Queen's is strongly committed to employment equity, diversity, and inclusion in the workplace and encourages applications from Black, racialized/visible minority and Indigenous/Aboriginal people, women, persons with disabilities, and 2SLGBTQ+ persons. All qualified candidates are encouraged to apply; however, in accordance with Canadian immigration requirements, Canadian citizens and permanent residents of Canada will be given priority.

Teaching Fellows at Queen's University are governed by the Collective Agreement for Teaching Assistants and Teaching Fellows between PSAC Local 901 and Queen's University. Remuneration will be in accordance with the Collective Agreement, and appointments are subject to funding or enrolment criteria. [https://www.queensu.ca/facultyrelations/psac%20901-1/collective-agreements/MoAs/LoUs](https://www.queensu.ca/facultyrelations/psac%20901-1/collective-agreements/MoAs/LoUs)

To comply with Federal laws, the University is obliged to gather statistical information about how many applicants for each job vacancy are Canadian citizens/ permanent residents of Canada. Applicants need not identify their country of origin or citizenship, however, all applications must include one of the following statements: I am a Canadian citizen/permanent resident of Canada; OR, I am not a Canadian citizen/permanent resident of Canada. Applications that do not include this information will be deemed incomplete.

The University will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant’s accessibility needs. If you require accommodation during the interview process, please contact: Sandra Martin at sandra.martin@queensu.ca; 613-533-6000 ext. 74226.

Applications should include a complete and current curriculum vitae, a statement of teaching experience, the names and contact details of two referees who may be contacted, and any other relevant materials the candidate wishes to submit for consideration. Applications can be submitted to the Civil Engineering Appointments Committee at the address below, or by e-mail to Sandra Martin, sandra.martin@queensu.ca.

Applications should arrive no later than **June 29, 2022**.
