At Golder, we thrive on challenges.

Golder is not just a place to work, it is a promise of a living, dynamic environment where people collaborate, innovate, build enduring relationships, excel, and grow professionally in a strong culture of ownership.

Do you have the desire to learn? The drive to excel and thrive in an engaged, collaborative environment?

Golder Associates Ltd. is seeking a Geotechnical Engineer – Entry Level to join our Mine Waste Management Group, at the Mississauga Office.

An overview of your role will include:
- Provide technical support in geotechnical and mine waste management projects, including field investigation, laboratory testing and interpretation; design and construction; geotechnical analysis; and dam safety inspections
- Complete geotechnical analyses, with a focus on soil mechanics, including stability, seepage, and thermal modelling for mine waste or water embankment dams and waste rock spoils under the direction and supervision of intermediate and senior engineers
- Complete geotechnical investigations including test pitting, drilling, and cone penetration tests
- Complete soil laboratory testing
- Complete daily inspections and contribute to sections of technical reporting under the direction and supervision of intermediate and senior engineers
- Support and contribute to design work packages in response to client needs
- Participate in and promote a safety-first culture

You will have the following skills and attributes:
- 0 to 2 years of relevant (post-degree) experience working in a consulting engineering or mining industry environment
- Bachelor's Degree in Civil or Geological Engineering. Master's or PhD. in Geotechnical Engineering a benefit
- Eligible for registration as a Professional Engineer in Ontario
- Strong technical writing, interpersonal communication, and emotional intelligence
- Be diligent and hard working to deliver high quality results
- Can prioritize time and demands
- Eager to learn, be challenged, and grow your career
- Commitment to safe work practices for yourself and your colleagues

Your benefits at Golder will include:
- Competitive benefits and remuneration packages
- Option to purchase shares in Golder
- Employee owned structure - own the business, own the result
- Deepen your expertise in a dynamic work environment
- Innovative and collaborative multidisciplinary projects
- On the job training, mentoring and coaching
- Global projects and travel opportunities
